Science	Math
Students did a great job this week completing their weather storm research and putting their information into a PowerPoint display to present to the class!	In math, we are working on Unit 11 Equivalent Fractions. Don't forget to sign your child's math log. Most students have mastered their basic multiplication facts 1-11 by now. If not, please work with your child each night.
Just so you know...

Valentine's Day Party (2nd time sent)

This year our party will be held on Friday, February 13th at 1:45pm. Each child is asked to make a Valentine Mailbox or Bag with their name at home to bring to school. These can be made using an empty shoe box or paper lunch sack. A class list is below for your child to address their valentines to their classmates. We are going to have pizza, drinks, and cupcakes at the party. Some have volunteered to bring in items. If they did volunteer, their item is listed at the bottom of this note. I need each student to bring in \$1 for pizza.
