

WELCOME TO THIRD GRADE!!

Dear Parents,

It is my pleasure to welcome you to third grade. I am very pleased to be your child's teacher this school year.

I am beginning my twenty-fourth year in education. I received by my B.A. degree from Transylvania University and my master's degree (reading specialist) and Rank I (school administration) from the University of Kentucky. After graduating, I taught fourth and fifth grade students for six years in Fayette County before marrying and moving to Montgomery County.

My husband, Kevin, and I are the proud parents of Will (14) and Caroline (11), both of whom are students in our district. Whenever we have spare time, we simply enjoy spending time together on our farm. I also love to travel with my family, cook, and am a definite Big Blue fan!

Please know that you are welcome in our room anytime, and I will work closely with you to ensure this is a terrific year for your child. Email or call if you have any questions or concerns. I look forward to working with you this year!

Sincerely,

Dawn Cockrell
