Principal's Message

Camargo Families,

As we enter the month of November, we know that this school year has been challenging for our students and families. We want to thank you all for your continued support during this unprecedented time in education. Our district and school will continue to make the best decisions we can for the overall best interest of students. Health and safety are always the top priorities for our students and their families.

As we look forward, we want to continue to support our students and families. We are planning a Virtual Parent Reading Night on November 17. The purpose of this night is to get more resources and strategies to help your child from home. We hope you all can join us, plus the first 100 families who register will get an awesome tool kit to further help with home support!

Again, we are here for you! If you have any questions or concerns, please contact us and we will work as a team to help you and your child.

Dudley Napier, Principal
Sarah Farrow, Assistant Principal

HAPPY VETERANS DAY!

To all the veterans out there, we salute you! Thank you for your service and sacrifice!
